### **Important Event Information**

Please look over the tentative meet schedule to help you plan your weekend for the Level 1, 2, 3, 4 and 5 State Championships. The schedule is a very accurate estimation of when your gymnast will compete.

Due to COVID and social distancing, we are asking that parents and spectators only attend the session their gymnasts is competing in. This way, the families who have an athlete in a session can support their gymnast and be able to enjoy the experience.

We will keep sessions small ensuring that the time in the gym will be short.

The first sessions each day, doors will open to the public 30 minutes prior to the session starting. Every session after that, doors will open 15 minutes prior to the start of the session. Those arriving early will need to wait outside or in the lobby area.

There will be a 15-20 minute window between each session to clean the gym area and the equipment.

Masks must be worn at all times in the venue by parents, spectators, coaches and judges except when actively eating or drinking. Gymnasts must wear as they enter the gym and competition area. They do not have to wear masks during competition and is optional during awards.

Please keep in mind that seating is metal bleachers and you may want to bring something to sit on.

Awards will be standing room only and we ask you not to use the bleachers to watch awards as they are reserved for the following session and they will need to be cleaned after each session.

### **Hotel Information**

Below are the host hotels we have secured. Due to the Super Bowl being held in Tampa this same weekend, hotels in Wesley Chapel are requiring a two-night stay and are non-refundable after the cut off day listed. Please read the information carefully about each hotel and their policies.

Hotel rooms may open up as it gets close to the State Meet dates and may eliminate the two-night minimum and cancellation policy. However, we cannot guarantee this.

Families may want to consider checking hotels within a 45-90 minute radius from the meet site such as Brooksville area (to the north), Lakeland area (to the east) or Bradenton/Sarasota area (to the south).

We will continue to monitor the hotels and could potentially add more hotels to our block. Check our website or follow us on social media for any updates.
